Audit Checklist

Section 2-3.27 of the School Code requires the Illinois State Board of Education to formulate and approve procedures and regulations for school district budgeting and accounting. In keeping with this requirement, the following checklist has been developed for use in reviewing the Illinois School District//Joint Agreement Annual Financial Report (Form 50-35) before forwarding it to the Illinois State Board of Education. The checklist is designed so that later clarifications, explanations or amendments requested by the Illinois State Board of Education will be minimized or eliminated.

All entries must balance within the individual fund statements and schedules as instructed below. Any error messages left unresolved below, will be returned to the school district/joint agreement.

Round all entries to the nearest dollar.

- 1. The auditor's Opinion and Notes to the Financial Statements are attached or filed electronically.
- 2. Student Activity Funds, Convenience Accounts, and other agency funds are included, if applicable.
- 3. All audit questions on page 2 are answered with the appropriate response (Yes, No or N/A). Comments and explanations are included for all no answers.
- 4. All miscellaneous accounts and functions have the required and descriptive itemizations.
- 5. In all funds, Function No. 2900 does not include Worker's Compensation or Unemployment Insurance.
- ☐ 6. Tuition paid to another school district or to a joint agreement (in state) is coded to Function No. 4100.
- 7. Business Manager/Bookkeeper Costs are charged to the proper Function (No. 2510/2520).
- 8. Interest is allocated to all funds participating in each investment (Audit Question 3i).

Check this Section for Error Messages

The following assures that various entries are in balance. Any out of balance condition is followed by an error message in RED and must be resolved before submitting to ISBE. One or more errors detected may cause this AFR to be returned for corrections and resubmission. If impossible for entries to balance, please explain on the itemization page.

• (M) Program was audited as a major program as defined by OMB Circular A-133.

The accompanying notes are an integral part of this schedule.

- ¹ To meet state or other requirements, auditees may decide to include certain nonfederal awards (for example, state awards) in this schedule. If such nonfederal data are presented, they should be segregated and clearly designated as nonfederal. The title of the schedule should also be modified to indicate that nonfederal awards are included.
- When the CFDA number is not available, the auditee should indicate that the CFDA number is not available and include in the schedule the program's name and, if applicable, other identifying number.
- When awards are received as a subrecipient, the identifying number assigned by the pass-through entity should be included in the schedule.
- ⁴ Circular A-133 requires that the value of federal awards expended in the form of non-cash assistance, the amount of insurance in effect during the year, and loans or loan guarantees outstanding at year end be included in either the schedule or a note to the schedule. Although it is not required, Circular A-133 states that it is preferable to present this information in the schedule (versus the notes to the schedule). If the auditee presents non-cash assistance in the notes to the schedule, the auditor should be aware that such amounts must still be included in part III of the data collection form.

A suggested format for assigning reference numbers is to use the last two digits of the fiscal year being audited followed by a numeric sequence of findings. For example, findings identified and reported in the audit of fiscal year 2003 would be assigned a reference number of 02-01, 02-02, etc.

Provide sufficient information for judging the prevalence and consequences of the finding, such as relation to universe of costs and/or number of items examined and quantification of audit findings in dollars.

See paragraphs 5.18 through 5.20 and 7.38 through 7.42 of Government Auditing Standards for additional guidance on reporting management's response.
